課程宗旨： This course aims to help students improve their English reading and speaking abilities, especially when reading sports news articles and discussing sports. It will also help students get involved in English in all sports-related facets. This class will allow students to acquire new vocabulary used in sports and get familiar with sports terminology and rules. It will help students better understand American cultural references when watching sports news, reading sports articles, and listening to commentators. In this class, we will also explore different sports around the world that you have probably never seen. This course will help students become more confident when speaking English and converse in English with classmates and foreigners while having fun talking about sports.
